**AUTOMOBILE THEFT**

**AUTOMOBILE THEFT**

Park vehicle(s) in a garage if possible; if not possible:  
park the vehicle(s) in a well-lit area, or

park in an area covered by a motion detector floodlight

Lock vehicle(s) completely and roll up all windows

Remove stereo face plate, if so equipped; if the stereo is an aftermarket purchase:

**Be sure to record the:**

- Brand name,
- Model number, and
- Serial number of the unit.
- Keep a picture of the unit from the box, it will have the model number on it.

Activate the Auto Alarm!

Don't leave an extra set of keys in the vehicle

Don't leave the vehicle title in the vehicle

Don't leave a purse or wallet in the vehicle, especially in plain sight

Don't leave CD's, DVD's, or other types of media in the vehicle; use a CD wallet or other type of carrier, take it inside with you or place in the trunk and lock the trunk.

Don't leave credit cards, cash, checks, or other forms of currency in the vehicle when rafting, hiking, skiing, at biking trail heads or boat ramps

Don't leave a vehicle unattended and unlocked in the morning or anytime while warming it up or defrosting the windows

Hide valuables and packages from plain sight by placing them in the trunk and locking the trunk

Large bass speakers placed in the back seat of vehicles are an inviting target for theft from vehicles

Repair broken windows and door locks

Have neighbors watch your place if you plan to be away
